THE HAGUE CONFERENCE.

PROGRESS OF COMMITTEES ON ARBITRATION, ETC. y Telegraph to Virgianian-Pilot.)

The Hague, June 20.- The Brussels Conference Sub-Committee on the International Peace Conference convened

amended in regard to awarding greater protection to neutral States, defining the right of civil populations to organize for resistance and the rights of armies as toward armed civilians. Ten clauses of the report was adopted. The report of the sub-committe will now be presented to the conference, and it is believed that nearly all the powers will adopt the new acticles as a basis of instructions for armies when entering the field.

The Geneva Convention Committee held a plenary session to-day to consider the report of its sub-committee. The plenary conference met to adopt these additional articles and appointed a committee last constitutions for the Geneva Convention section. This is the first definite result of the conference.

The attitude of Germany is to be only a little in advance of of some of the other powers after in opposition to the plans sub-ed, and the disaffection is more rai than appears on the surface. For the other projects that were ally desired by the Americans, as protection of individual propfrom setzure at sea, they have all irreducinably lost, according to been irredeemably lost, according to

BOLD MAIL ROBBERY.

PACKAGES TAKEN IN CHICAGO

one of the largest and boldest mail

taken by the men were found in their longing house on South Halsted street. In the pile were letters, money orders and theoris directed to all parts of the country and Europe. One check found in the pile was for \$29,000, while another for a large amount was sent from Marcus Daly's bank at Anaconda. The fact that the robbers had been in the employ of the Chicago postofficesiace June 1 and that all the thefts were compilted since that time while the prisoners were driving their wasons, makes the scheme one of the boldest in the recollection of the post-office inspectors.

MAHER'S QUICK WORK.

KNOCKS MORRISSY OUT IN THIR-

(By Telegraph to Virginian-Pilot.) trish heavy-weight pugilist, scored a quick victory over his fellow countryman, Mike Morrissey, of Tipperary, becore the Lenox Athletic Cino to-night. Morrissey had been hersined as an incincible Irish champion. Maker sized his man up quickly and went for him straight away. There was apparently no fighting in the newcomer. Maker went right to his man with a light left lead, which landed lightly on the chest and sent his right over to the jaw. Morrissey fell in a meutral corner and lay there, resting on his right corner and lay there, resting on his right corner and lay there created about the right and the master of ceremonies announced that Maker had won and that the time of the bout was thirty-five seconds.

Berlin, June 20.—The bill authorizing the accusistion of the Caroline, Ladrone and Pelew Islands by Germany was submitted to the Reichstag to-day.

New York, June 20.—The City Countillorday adopted a resolution making July 3 a holiday in this city in commonated that Maker had won and that the time of the bout was thirty-five seconds. New York, June 20 .- Peter Maher, the

This, he said, was a great mistake. The ground work and foundation of the order, he concluded, is the golden rule of life, "do unto others as you would that they should do unto you."

After addresses on "A Sketch of the Past," by Meade D. Detwiler, past srand exalted ruler, and "A Glimpse into the Future," by Howard McSherry, of New Brunswick (N. J.) Lodge, the meeting dissolved and the Grand Lodge went into secret session for the transaction of business.

YELLOW FEVER CURE.

NEW YORK HEALTH OFFICER
MAKES A DISCOVERY.

(By Telegraph to Virginian-Pilot.) New York, June 20 .- Dr. Alvah P. Doty, the health officer of the port, is much elated over the successful results of the experiments with a serum produced at his laboratory for the prevention of yellow fever. For the past is months Dr. Doty and his assistants have been producing this serum at the Quarantine laboratory and have inoculated a number of cuinea pigs previously fed with germs of yellow fever. For some time the experiments have been doubtful in their results but for the past month or six weeks they have succeeded in preserving the lives of the animals, thus affording sure evidence of the value of the serum in the prevention of yellow fever.

Dr. Doty says he will send samples of the serum to his agent at Havana, where it is expected that it will be used with success in the preservation of the lives of yellow fever patients.

TICKS FROM THE WIRES

ELKS' GRAND LODGE.

THIRTY-FIRST ANNUAL SESSION BEGINS AT ST. LOUIS.

(By Telegraph to Virginian-Pilot.)
St. Louis, Mo., June 28.—Thousands of members of the Benevolent and Protective Order of Elks gathered here to day to attend the thirty-first session of the Grand Lodge and the reunion of the Order of Elks gathered here to day to attend the thirty-first session of the Order.

The opening exercises were held at the Olympic Theatre. Louis P. Aloc, chairman of the local Executive Committee, made the address of welcome. He was followed by Mayor Henry Leigenhein.

John Galvin, of Cincinnati, the grand exalted ruler, responded. He said many people thought the Order of Elks was merely a convivial organization, with no serious purposes or objects.

and it is said that when the act to regulate commerce took effect nearly all through freight was carried under artangements which included definite understandings as to routes to be followed. Respecting the extent to which this practice has been adopted and the accompanying results, as viewed by the railroads, the Railway Review says:

"Shippers, however, had become, through long indulgence, firmly convinced of their right to dictate routes, and in this they were encouraged by the solicitors of the various railroads interested in securing their freight. Indeed, so general is this method of conportion, possibly as high as 80 to 90 per cent, of the through freight shipments of the country, is now routed by the shipper. It may be stated without fear of successful contradiction that rate demoralizations are in large degree directly traceable to this practice; and, further, that the tenure of office of very many of the railroad freight so, it licitors is dependent upon its continuation."

Mrs. Morris' Letter to EVERY WIFE AND MOTHER.

[LETTER TO MES. FINEMAM NO. 14,363]
"I have taken eight bottles of Lydin E. Pinkham's Vegetable Compound with gratifying results. I had been married four years and had two children. I was all run down, had falling dren. I was all run down, had falling of womb with all its distressing symptoms. I had doctored with a good physician, but I derived very little good from his treatment. After taking a few bottles of your medicine, I was able to do my work and nurse my sevenmenths old babe. I recommend your medicine to every wife and mother. Had I time, I could write much more in its praise. I bid you God's speed in your good work."—Mrs. L. A. Morris, Wellara, Purnan Co., Fla. WELAKA, PUTNAM CO., FLA.

"DEAR MRS. PINKBAM-When I commenced the use of your remedies I was very bad off. Every two weeks I was troubled with flowing spells which made me very weak. I had two of the best doctors, but they did not seem to help

me.
"They said my trouble was caused from weakness and was nothing to worry about. I felt tired all the time: had no ambition. I was growing worse all the time until I began the use of Lydia E. Pinkham's Vegetable Compound. I am now able to help about the house, and am much improved in health."-MR A. WALKER, CALLICOON DEPOT, N. Y.
